

The Whiting Parks Department is excited to reopen for the 2021 season! Whihala Beach opened Memorial Day weekend and will be open through Labor Day. Our beach hours are 10am to 6pm every day, weather permitting, and the parking lot closes at 6:30pm. The Whiting Lakefront Park hours are 7am to 8pm every day, with the exception of rentals.

Rentals for the 2022 season opened up on June 1st. If you are interested in hosting your upcoming event at the Lakefront Park, please give us a call at **219-659-0860** to check availability for a date and find out updated rates.

Before you visit us, you may be interested in purchasing a parking permit! Rates are \$10 for residents of the 46394 ZIP code. You will need to bring your updated vehicle registration in order to purchase a permit. Please be advised that the parking permit does not cover special events, like the symphony. They expire December 31, 2022.

The parking permit will come in handy if you visit our WhoaZone, which opened on June 18th. To reserve tickets for or find out more information about the popular inflatable water attraction, please visit their website, **whoa.zone/whihala/**.

Lastly, the Parks Department will be moving soon. The new office will be located near the beach. Please call before visiting us to make sure you are coming to the correct place.

If you have any additional questions, please give us a call at **219-659-0860**. We look forward to seeing you this summer!
