It's a great place filled with wonderful people. Whiting residents and the surrounding areas are friendly and kind. I enjoy coming to work each night! I love working for the YMCA!!

It's hard for me to put into words how "at home" I feel at the Whiting Family YMCA. People are smiling, lots of happy faces and all willing to help. You 'seniors' out there, come take a look at all there is for us. You will enjoy joining in the fun. The people here care.
